Cast steel Trunion Mounted ball valve, Fixed Ball valve

Product Name: **Cast Steel Trunion Mounted Ball Valve, Cast Fixed Ball Valve**

Product Sort: **[Ball Valve](#)->Trunion Mounted Ball Valve, Fixed Ball Valve**

Product Material: A216WCB, A217WC6, A217WC9, A351CF8, A351CF8M, A351CF3, A351CF3M,

A352 LCB, A352LCC

Specification Standard & Major Parameter

1. Product Enforced Standard:

Design & Manufacture Std.: API 608, API 6D, ASME B16.34, BS5351

Face to Face Std.: ASME B16.10, API 6D, DIN 3202

End Connection Std.: ASME B16.5, ASME B16.47, DIN2543-2550

Our Key Products: Globe Valve, Check Valve, Gate Valve, Ball Valve, Marine Valve

- ***Trunion Mounted Ball Valve***
technical parameters

<http://www.valvesmanufacturer.cn>

Test Standard: ,API 6D,API598,BS 6755,ISO5208,MSS SP-82,MSS SP-61

Fire safe: API607-API6 Fa

2. Major Parameter:

Size: 1/2-56

Pressure: 150LB-2500LB

Material: A216WCB, A217WC6, A217WC9, A351CF8, A351CF8M, A351CF3, A351CF3M, A352 LCB, A352LCC

Structure Type: 1-pc, 2-pc; 3-pc, Reduced Bore,Full Bore

Operated Way: Lever, Hand wheel, Gear, Pneumatic or Electric

3. Trunion Mounted Ball Valve Design Feature,

Blow-out proof stem, Anti-static Device, Fire Safe Seat Sealing, Low Emission Control

We could produce cast steel Trunion Mounted Ball Valve or Fixed Ball Valve which are all according to the customers requests,including design and material Also we could choose the best ball valve for our customers,which is the most suitable for the working environment.
