

T Type Strainer

Product Name: **T type Strainer**

Product Sort: **T type Strainer**

Product Material: A216WCB, A217WC6, A217WC9, A351CF8, A351CF8M, A351CF3, A351CF3M, A352 LCB, A352LCC

Specification Standard & Major Parameter

1. Product Enforced Standard:

Design & Manufacture Std.: HG/T 21637

Face to Face Std.: GB/T12221

End Connection Std.: JB/T 79

Test Standard: JB/T 9092

2. Major Parameter:

Size: 2-14

Pressure: PN10, PN16, PN25

Material: A216WCB, A217WC6, A217WC9, A351CF8, A351CF8M, A351CF3, A351CF3M, A352 LCB, A352LCC

We could produce T type Strainer valve which are all according to the customers requests, including design and material. Also we could choose the best strainer valve for our customers, which is the most suitable for the working environment.
